

Who are we & What are we offering?

[FRANÇAIS](#)[PRINT](#)[ENGLISH](#)

Expéditions Rivière Noire is a small business specializing in shuttle and canoe rental services on the Noire, Coulonge and Dumoine rivers. It also offers the possibility of renting complete camping equipment. And offers as well recommendations for different lodging options that will suit all budgets (hotel, motel, cottages, camping-ground, cabins, etc.), all located in proximity of the Noire, Coulonge or Dumoine rivers.

Established in the Pontiac region for over 25 years, the business is managed by Michel Pouliot, who is also the owner. Michel, a machinist by trade, also passes on his machine-shop knowledge by pursuing the profession of teacher in a professional technical school, in the Outaouais.

Michel represents the third generation of his family to establish oneself on the shores of the Noire River. Having lived all his life in this region, he knows all the nooks and corners of the Noire and Coulonge rivers, for having canoed them time and again throughout his youth. Being a fervent adept of hunting and fishing, he has wandered through all the surrounding roads, trails, bushes and lakes. Michel is in his element on the Noire River. In fact, the river probably also flows through his veins.

During your next stay on the Noire River, or while planning your next canoe river run on the Noire, Coulonge or Dumoine, don't hesitate to contact Michel to call upon his numerous years of experience and his excellent services.
